About TOTVS

Absolute leader in Brazil with 48.6% market share*, and also in Latin America with 34.5%, TOTVS is a company of software, innovation, relationship and support to management. The word TOTVS comes from Latin and means everything, everyone; that is an appropriate name for a company that operates in 10 segments and provides solutions for companies of all sizes and types, in three business segments: software, technology, and services (infrastructure, BPO, education and Service Desk). TOTVS has been operating for 26 years. It was the first company of the sector to go public in Latin America. Currently, the company is present in 23 countries, has over 26 thousand active customers and 9 thousand employees.
